

Great location!! Pleasant climate!! Easy airport access!!

Tula Vida Ranch is nestled on the slopes of North-West Costa Rica where it stays green all year round. Our closest neighbors are national park and volcanoes which create a beautiful climate, often with a nice breeze, with average temperatures of 65 to 85F.

Just a 15 minute drive from the stunning Lake Arenal, it is a 1h 30min easy drive from Liberia International Airport (LIR), only 1h30 from the adventure capital of Costa Rica (La Fortuna) and 2h from the glorious Guanacaste beaches.
